Samples & project quotations

Pictured: Black Marquina | CSQ272

Start with your selection

Include the design name, product reference and quantity required.
For variants, include the letter shown beside the design name.
Provide your project location, dimensions and preferred thickness.

Confirm the details

Request current pricing, available slab sizes, thicknesses and finishes.
Confirm lead time, freight and any applicable tariffs in your quotation.
Review a physical sample and the selected slab before final approval.

www.truvik.com

Photography is a visual guide. Color and pattern may vary by slab and display.
